

Swords & Some Magic - download now on App Store Russia!

St. Petersburg, 4th of May, 2015. Nova Games announces general availability of "Swords & Some Magic" game, which is available for download in Russian App Store via this link.

Swords & Some Magic is a fantasy action game that combines elements from both traditional platformers and contemporary runners.

The player is trying to reach the top floor of the Dark Tower, so the game is split into floors with levels – which serve as milestones of the journey.

Swords & Some Magic features a diverse gameplay, a unique way of "line switching" when the camera changes positions and engages player into QTE sequences, giant bosses and stunning Unreal Engine-powered graphics.

- A unique hybrid of platformer and contemporary runner game
- QTE – amazing quick time events
- 36 levels in 6 different locations
- Giant bosses!
- Incredible setting and environment
- Diverse gameplay

At the moment, the game is in the soft launch phase in Russian App Store, but it will be available worldwide in few months.

For more information, please contact Sergey Grachov (sergey@novagames.com), who is the General Producer of the game.
